

## Guide to the Arcade flier collection, c. 1931-2018

Fliers are arranged by company, then alphabetized by game within the company folder(s). If the flier was acquired and cataloged as a single object, then the Object ID is also indicated. [Home and consumer electronic gaming trade sheets are housed within the library's **Electronic gaming trade sheet collection.**] If a date is not specified on the flier, an approximate date is listed in brackets.
